

Holy Spirit School *Vision for Teaching and Learning*

Statement of Principles

Learning is scaffolded and supported.
Learning is supported through constructive feedback and reflection.

Learning is taking risks in a supportive environment
Learning is supported by clear criteria.
Learning is investigative and participatory.

Value & Definition

Perseverance

We support each other to have a go and stay positive

Resilience

As learners we show courage to face challenges

Respect

Valuing and appreciating self, others and our environment.

Shared responsibility

We learn and grow in supportive partnerships

Generous Spirit

We learn together through unconditional enthusiasm and reaching out to others

Learning provides opportunity for positive social development.
Learning contributes to a sustainable future.

Learning is connected to the world we live in.
Learning is the whole school community working together.

Learning is differentiated to recognise individual abilities.
Learning is shaped in the understanding of the Gospel Values.
