

THE  
*Wishing Tree*  
FUNDRAISING  
INITIATIVE

Holy Spirit School  
NEW FARM

Since the doors first opened in 1930, Holy Spirit School New Farm has provided a Catholic education to thousands of children. The cranes on the skyline are a visual reminder that more and more people are choosing to live, work and play in our community.

Holy Spirit School exists due to the support it receives from its 'family'. This family includes past, current and future students. It also includes those members of our local community – families and businesses – who have provided years of support through their time, resources and funds.

In 2016 we launched the **Holy Spirit Wishing Tree** to help our school grow in line with our community. Previous support has enabled the school to expand to a two stream school by building extra classrooms.

The funds raised through the **Holy Spirit Wishing Tree** will be used to update and renovate spaces for our 21st century learners. It will allow us to provide for future generations to join the Holy Spirit family to learn and "to know what is right".

All donations over \$2 are tax deductible and contributions will go directly to the School Building Fund.

The Wishing Tree has been assembled in the Undercover Area and is being filled with donation leaves.

## How you can help...

Donors can help us achieve our goals by purchasing a leaf or leaves on the tree to acknowledge their connection to the school as either a past, current or future member of the broad school community. Each leaf can be engraved with the name of your child or family members who have attended the school, or your family name.

I would like to contribute to the Holy Spirit Wishing Tree...
